BUSINESS CONTRACT HIRE (BCH)

Business Contract Hire, or BCH is a funding product where you lease your vehicle for a fixed period and mileage, in return for a monthly rental. At the end of the agreement you simply return the vehicle, without further cost, providing that the vehicle has not exceeded the agreed mileage and that its condition is reflective of its age and mileage.

WHAT DO I NEED TO KNOW?

You pay an initial upfront advance rental, usually ranging from the equivalent of one to twelve monthly rentals.

You then pay a fixed monthly rental fee (plus VAT) and in return have the right to use your chosen vehicles over a pre-agreed period and mileage.

VAT registered companies are able to reclaim 50% of the VAT on the finance rental where employee private use is permitted, or 100% if the vehicle is solely for business use.

At the end of this period you are not responsible for the disposal, the vehicle is simply handed back. There is no option to own the vehicle at the end of the agreement.

MORE DETAILS

All agreements include road fund licence, full manufacturer's warranty and the manufacturer's comprehensive breakdown cover.

Business Contract Hire agreements can run from 18 to 48 months in duration.

Both excess mileage and vehicle condition charges may apply.

Maintenance of the vehicle can be included in your monthly rental as an added option. 100% of the VAT on the maintenance rental can be reclaimed.
